

Web Frontend/.Net Developer (f/m/d)

Frankfurt (Germany)

About XTP

XTP is a specialist consultant focusing on transparency, cost, and risk. For more than 20 years we have helped institutional investors to get the most from their current investment set-up and enhance investment governance. We have a proven track record of increasing implementation efficiency in public and private market assets from clients across Europe and the USA.

We are a data-driven organisation with a highly experienced team of more than 50 senior industry specialists, quantitative analysts, and software engineers. Technology is a fundamental component of how we operate and underpins our ability to deliver superior outcomes.

XTP is building an international culture where our team feels empowered, responsible, and valued. We can offer you access to bright-minded people, the environment to develop your knowledge further, and a platform to make a difference in financial services in public and private markets.

Your Team

- We work with bleeding-edge technologies and welcome new ideas.
- We are constantly improving our processes and workflows.
- We help each other to become better developers.
- We have big goals, and we work hard to achieve them together.
- We are an agile team that thrives by valuing the ideas and opinions of every team member!

Your Activities

- Development of front- and backend components for a scalable and high-performing application platform to support and improve main business processes.
- Database modeling and implementation.
- Active participation in the optimization and design of development processes as well as the development environment.

Your Profile

- You are a passionate developer with an enthusiasm for new technologies and you have completed your computer science studies or a comparable qualification.
- First experiences with JavaScript/HTML/CSS, C# and databases.
- Knowledge in ReactJS, Angular, or a similar framework or library is preferred.
- Solution-oriented and independent working method.
- Willingness to go the extra mile.
- Self-driven, well-organized, and results-oriented team player.
- Highly proficient in English and German.

Become part of our vision and actively reshape the future of capital investment with us!
